GENERAL INSTRUCTIONS

- **IDEATHON and WORKATHON are both TWO DIFFERENT TRACKS and are to be held on different days according to the revised timetable given below.**
- **Teams under the Workathon will have to Present their PPT on 22nd January, 2022 only. There can be NO SHIFTS to Ideathon.**
- **A list of teams participating in the Workathon has been attached below, please refer to it and prepare accordingly. If your team name is present in the Sheet, YOU WILL HAVE TO APPEAR FOR THE WORKATHON ONLY.**
- **FOR WORKATHON: Teams are requested to ask their respective mentors to fill the Google form on their *MIT Mail ID*.**

- For registration, Team Leader name and Mentor name will be taken.
- The team should preferably consist of at least one **female** contestant.
- Team name should uniquely identify your team. In case of name collisions, Team Leaders will be informed to change the team name.
- No student can be a part of more than one team.
- Both **Hackathon** and **Ideathon** submissions should have a presentation submission which should follow the template given. One presentation must be submitted for registration of your Idea.
- **Ideathon** submissions should be followed with the team doing more in-depth research. Which may be supplemented with whatever the team deems fit for making the presentation more enriching.
- Your timings and link for presentation will be conveyed to you via mail AND WhatsAppGroups.
- The decision of organizers and/or judging panel is final for selecting the teams of Round 2
- You're not allowed to plagiarize another team's materials, files, software, equipment etc. Strict actions will be taken by MIT-WPU.
- The decision of judges is final for determining prizes and awards.
- Please comply with all instructions from HackMITWPU organizers.

FORMAT OF FINAL JURY ROUND

- **SUBMISSION OF FINAL PPT :** This PPT has to be submitted by the teams to the School Coordinators after their presentation is done. The mode of submission for the same would be made available on the day of Jury Round.
(The template has been sent on mail or you can find it on the website)
- There would be 2 rounds in **Workathon** as well as **Ideathon**.
 - **ROUND 1:** All participating teams are allowed to present in this round (refer to time given below). Each panel will be selecting 1 team to go to Round 2.
 - You have to submit the Final Presentation after your presentation is done in front of the Jury. You have to submit this ppt to the link provided by the School Coordinator
 - Timings and Links for this round will be conveyed to you via mail or other communication channels
 - **ROUND 2:** This round will be for the students selected by each panel for this round. They will have to face a stricter evaluation in this round and to be eligible for the prizes.
 - Round 2 is applicable only for Schools having more than **5 panels**
 - Timings and Links for this round will be conveyed to you via mail or other communication channels
