

Film Appreciation: (1.5-page maximum) (10 Marks)

As films are mirrors of the minds of the society, they provide deeper impacts into the minds of the viewer, a basket of must-watch movies is chosen and for each peace subject, one movie is required to be chosen during that trimester in classrooms. A discussion will follow based on the rubrics mentioned.

The student will be asked to write down their critical observations on the theme around which the film was centred and the lessons learnt from the movie.

- 1) The story outline
- 2) Central Theme and key moments
- 3) Critical Views on movie
- 4) Takeaways/Learnings for life lessons **may choose any one of the films from the list given list of MUST WATCH MOVIES.**
